

A simple change. A powerful solution.

# The H2O3 SAO Storm Bundle

+

=

Simple, Safe  
Cost-Effective  
Cleaning

Arm your maintenance crew with Stabilized Aqueous Ozone (SAO) and get on the **right side of science**:

- **SAO** is effective against all pathogens and viruses
- Third-party tested against COVID, MRSA & E. coli—99.99% inactivation within 60 seconds
- Displace most if not all conventional cleaning and sanitizing chemicals
- Uses your **current water and electricity** to produce on-demand odor-free & residue-free SAO
- Environmentally friendly and sustainable—**reverts to water and oxygen**
- Safe for *in situ* applications—no more annoying chemical dwell-time delays

The **MotorScrubber “Storm”** is the Ultimate SAO Applicator:

- Easy-to-use backpack spraying machine generates a fine SAO mist through a high-speed nozzle
- Ideal for **cleaning and sanitizing** offices, public spaces, restrooms, fixtures and all topical surfaces
- Weighs a comfortable 11.7 lbs. with a battery run time of 90+ minutes
- 100% safe for employees—no gloves, masks of PPE required
- A sustainable alternative that delivers an **unsurpassed level of hygiene** throughout your facility

H2O3 On-Demand SAO Dispenser • 2 SAO24 Cartridges  
MotorScrubber STORM Backpack Applicator

**Limited Time Package Price: \$2,500 USD**
